

Serial No. 09/933,562

PATENT  
Docket No. 58013-022800REMARKS

The office action issued by the Examiner and the citations referred to in the office action have been carefully considered.

The Applicant expresses appreciation to the Examiner for indicating allowable subject matter of various claims subject to them being appropriately rewritten. This has been effected.

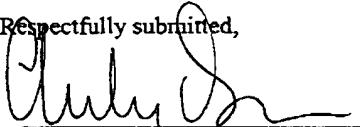

Various new combinations of claims are submitted. These claims have been set up based on features which the Examiner had indicated to contain patentable features.

For the Examiner's assistance, the Applicant indicates characteristics of the new claims.

New claim 47 includes the features of claims 1, 10, 11 and 12. New claim 51 includes the features of claim 1 and 25. New claim 52 includes the features of claims 1, 26 and 28. New claim 53 includes the features of claims 1 and 30. New claim 56 includes the features of claims 1 and 37. New claim 59 includes the features of Claims 42 and 44. New claim 61 includes the features of claim 42 and 46.

It is respectfully submitted that all of the Examiner's objections have been successfully traversed and that the application is now in order for allowance. Accordingly, reconsideration of the application and allowance thereof is courteously solicited.

Respectfully submitted,
